* You will be notified when the vessel has been hauled and will be informed of the winter storage location. Please visit yard to check vessel ASAP.

Storage location will depend upon the requested launch week above. Estimate your launch week thoughtfully. The efficiency of haul/launch operations depends on members abiding by their planned haul/launch dates. Please be understanding, your vessel will be stowed per haul-out schedule.

If you would like to request a land storage location, you MUST be hauled PRIOR to October 9th.

After October 9th, all vessels will be stored per a pre-determined storage plan based on LOA and Launch Date given on Haul-Out Request.

- * Prior to being hauled, all fees are to be pre-paid 14 days in advance.
- * No sails / canvas may be installed at haul-out which conflict with Bowleys Marinas' Rules and Regulations, Section 4, paragraph I.
- * Copies of the vessel Title/Registration/USCG Documentation and current Insurance are to be on file prior to haul-out.
- * Remove ALL lines, shorepower cords, water hoses, fenders, etc. from your slip. The staff will be removing all gear remaining at slips Jan. 1st.

The Bowleys Staff looks forward to working with you this Haul-Out season. Please bring to Managements attention anything you feel needs to be addressed. We cannot improve our service without your feedback.
