Launch Authorization – Submit when vessel is ready to launch

I, _____, slip number _____, authorize Bowleys Marina, Inc. to launch my vessel named, _____, during the week of Monday, ___ of _____, 20__.

I have submitted a prior Launch Request which is on file. I understand this Authorization MUST be submitted prior to Launch. A final Launch date will not be scheduled until this Launch Authorization is submitted and the vessel is **READY** for Launch.

Please Note:

Ensure that the vessel is ready on Monday of the week scheduled to launch. If detailer, mechanic, canvas maker and/or rigger is (are) working on the vessel, make sure they are aware of the schedule and have the vessel ready for launch on MONDAY of the week scheduled. If not ready Monday, the vessel will be moved to the bottom of the list and will NOT displace a vessel which is ready and scheduled for the following week. If not ready, reschedule early, do NOT wait until Monday of the week you are scheduled.

Ensure that you hire only contractors who carry the proper insurance. Please have them fax the office the proper documentation regarding their coverage prior to their arrival. Call the office @ 410-335-3553 with any questions.

Check All that Apply:

- I will be present at Launch and will drive my vessel to my slip.
 I will be present at launch and request Marina tow my vessel to my slip. (no charge)
 I will **NOT** be present at launch and request Marina to check bilges, tow vessel and tie in slip. (see 10 Below)

Owner attests to the following:
